The Gospel - (Luke 3:10–18)

When all the people asked John, 'What must we do?' he answered, 'If anyone has two tunics he must share with the man who has none, and the one with something to eat must do the same.' There were tax collectors too who came for baptism, and these said to him, 'Master, what must we do?' He said to them, 'Exact no more than your rate.' Some soldiers asked him in their turn, 'What about us? What must we do?' He said to them, 'No intimidation! No extortion! Be content with your pay!' A feeling of expectancy had grown among the people, who were beginning to think that John might be the Christ, so John declared before them all, 'I baptise you with water, but someone is coming, someone who is more powerful than I am, and I am not fit to undo the strap of his sandals; he will baptise you with the Holy Spirit and fire. His winnowing-fan is in his hand to clear his threshing floor and to gather the wheat into his barn; but the chaff he will burn in a fire that will never go out.' As well as this, there were many other things he said to exhort the people and to announce the Good News to them.

LIFE IS AN OPPORTUNITY

All of us can recount "sliding doors moments" in our lives. They are those moments we ask ourselves "What if I had done that differently?" Newspapers often like to "dine out" on sporting stories of games that would have had different results if "that putt had been sunk for birdie on the 14th hole" or the "cricketer who dropped that catch when the batsman was on single figures" or the "forward who missed that set shot for goal when scores were tied". Each one of these is a game that is far less important than the "what if moments" we all face in our daily lives.

Have you ever wondered the difference to your day if you chose to respond or initiate a conversation with a positive greeting or alternatively with a negative one, regardless of the way you are treated? All of us have entered circumstances when we have been annoyed. What we all know is that we achieve little when we treat others with disrespect. Most certainly it actually says more about what type of person we are. Yet, if we enter the same situation looking for solutions and with a respectful manner more often than not the end result is far more positive.

In a weeks time, our Year 6 students will reach a "sliding doors moment". They will be faced with the end of their Primary School education. For all of them, they will be faced with moments when they can make a good choice or one they regret. On some occasions, they will be challenged to "go with the crowd" or make a tough choice to make the right decision. As parents and teachers, we will still have a part to play in being their "guides on the side" but ultimately as they mature we will no longer be with them for every waking moment.

In the last week of our 2018 school year, there will still be some "what if" moments that we will all face. The manner in which we respond is always up to us. How we respond will ultimately determine what "the door" looks like on the other side.

2019 Enrolments

If your child is not returning to Holy Spirit School in 2019, could you please come and see me as soon as possible. This will assist us in organising classes and planning for 2019.

Staffing & Transition for 2019

Please find attached the Staffing for 2019. It gives me great pleasure to welcome Mrs Diana Voss and Mr Corey Miller to our school community.

Next Tuesday we will be holding a Transition Session between 9:30 - 11 am. The students will be informed of their Homeroom for next year during this session.

Your child's End of Year Report was sent home today. Please take a moment to read these as the teachers have put a lot of effort into preparing these. Unlike earlier in the year, there are no formal Parent/ Interviews however, if you would like to discuss your child's report you are more than welcome to make an appointment with the Homeroom teacher before the end of the school year.

Classes

As a staff, we have spent a considerable amount of time sorting out the homerooms for next year. We have done this with the best interest of each student.

Communication

As always, we are looking at ways in which we can improve our communication and exposure to the wider Holy Spirit community. In the very near future we will be launching our brand new school website. We will continue using our fortnightly newsletter as a means of communication and our social media platforms. As of the end of this year, we will cease to use the SchoolApp and move to a new platform that comes out of the CED in Wagga. This should be operational in Term One next year.

I would like to take this opportunity to thank Mrs Jenny Awburn who has facilitated our SchoolApp and website in recent years. Her involvement with the school ends with her youngest son, Darcy, finishing Year 6 this year. I would also like to acknowledge Mrs Emily Poynter's work in building our new website.
